

Dear Families, Parents and Students,

Welcome back to Avalon Heights World Private School

Let me begin by introducing myself. My name is Mrs. Anne Morris and I will be In-Charge Principal temporarily, until the permanent Director / Principal, Dr. Kishor Pillai has finalized his documentation. Under his guidance and leadership, I will be acting as the signatory for official paperwork. In addition, I will also be the Head of Academics.

I am delighted to be joining this wonderful school and am very much looking forward to meeting all of you in person in the coming weeks. The school is buzzing with positivity and anticipation for the upcoming new school year and I am sure that you will be impressed with the many improvements that have been put in place such as the recruitment of new British teachers and the re-organisation of returning teachers according to their subject specialisms and qualifications.

In the new academic year there will be more emphasis on sport, innovation and entrepreneurship including a new robotics programme - the first in Ajman!

I will be writing to you again soon with more details and invitations to Parent Orientations and information regarding the return to school.

With best wishes for an enjoyable and relaxing summer break.

Warm regards  
I/C Principal  
Head of Academics  
Mrs. Anne Morris
